**Reasons for Allowance** 

1. Claims 1-4 and 6 are allowed.

Claim 1

The primary reason for allowance of the Claim 1 is the inclusion of the busbars disposed in stations of the cable railroad system and configured to charge said

batteries during a movement of said chairs through the stations.

Claims 2 and 3 depend from claim 1 and therefore are allowable for at least the

same reasons noted above with respect to claim 1.

Claim 4

The primary reason for allowance of the Claim 4 is the inclusion of the busbars

disposed in stations of the cable railroad system configured to charge said

batteries during a garaging of said chairs.

Claim 6

The primary reason for allowance of the Claim 6 is the inclusion of and

photovoltaic elements mounted to said chairs for charging up said batteries.

Any comments considered necessary by applicant must be submitted no later

than the payment of the issue fee and to avoid processing delays, should preferably
